As You May Already Know, Diet Plays a Very Important Role in Any Kind of Problem

If a person is suffering from **external hemorrhoids** with a visible lump of small size, he/she can have a warm bath because that will help the ships around the rectal region to relax. One should use topical astringent and topical moisturizer in it at that portion so that you feel relieved.

Well, if a person has mild hemorrhoid, then in that case, your doctor may provide you a hot sitz bath but if the pain is not tolerable and you has a large amount of swelling then it may become necessary to remove the clot.

This Process Cannot be Carried Out from Home; Your Doctor May Definitely Help to Treat It

Whereas, if you have continuous bleeding and the **prolapsed hemorrhoid** cannot be pushed back or perhaps if suffering from uncontrollable pain or severe itching and discomfort then a surgery could be necessary for the treatment for **external hemorrhoid**.
