

Pregnant With Hemorrhoids Relief

Being pregnant is one of the greatest joys in a woman's existence but unfortunately **hemorrhoids** can hurt the experience.

Thankfully there are a number of ways to get relief from **hemorrhoids** and even better however a natural way to get rid of hemorrhoids altogether. Throughout this article I will explore why pregnancy encourages hemorrhoids, the different forms of relief that are available and an introduction to curing your hemorrhoids naturally.

Hemorrhoids seem to be a part of a great percentage of pregnancy because of the environment it creates. Hemorrhoids are varicose veins in the rectum area that grow to be swollen which leads to pain and discomfort. During pregnancy as the fetus is growing these kinds of veins acquire stretched out as well as hemorrhoids often develop. Another factor during pregnancy is that women often get constipated and end up straining during **bowel** movements that may cause and worsen hemorrhoids. Unfortunately even during the most enchanting of times during the birthing process hemorrhoids can produce due to the sheer force the women uses when their baby penetrates the world.

There are a number of different things you can do to offer a chunk of relief for hemorrhoids while pregnant. Most women have figured out that carrying a cushion around may be a bit cumbersome but it does provide a surface that will not aggravate they hemorrhoids. A common used product is called a sitz bath which is basically a small tub that fits around the toilet seat so that the pregnant woman is able to soak her rectum area which again offers a reasonable amount of relief.

Many doctors recommend that a pregnant woman first apply a cold wrap up in order to the area and then head straight towards the sitz bath which is full of warm water. In case your hemorrhoid pain reaches a high degree of pain your doctor may prescribe a special hemorrhoid cream that may help with your pain.

The problem with all of the above hemorrhoid while pregnant relief ideas is that it does offer relief but it is not resolving the main problem from the hemorrhoids themselves.

Thankfully there is a natural product out there that will attack the root problem.
